

FEEL LIKE A BEAUTY QUEEN

As the name of the salon suggests, every girl gets to feel like a real royal diva here! Queen's Beauty Lounge & Spa offers a full range of treatments and services in unique treatment rooms each named after historic queens (a Cleopatra room, anyone?). With 'flavour of the month' specials, we suggest you head over to find out this month's exclusive deal!

GET THAT GLOW

Your skin is constantly exposed to harsh environments around you, with pollutants not only clogging the pores but also causing skin damage. A regular cleansing and moisturising routine is a great way to achieve perfect skin, especially with VLCC's latest product. The Wild Turmeric Gentle Clarifying face wash is enriched with the age-old effectiveness of turmeric as well as honey to give healthier, smoother and radiant-looking skin!

SCRUB IT ALL AWAY

If you've been slacking on your night-time skin care routine, listen up! Regularly using a scrub can prevent breakouts and exfoliate dry skin. Cool & Cool's new facial scrub that comes in a range of delicious scents consists of fine peeling beads that gently cleanse your skin. With a velvety soft finish, the scrub removes dead skin cells and ensures a radiantly fresh complexion.
